D Division / Manitoba Freedom Convoy Support Demonstrations - 2022-02-18

February 18, 2022 3:10:01 PM

D Division NOC Freedom Protest Update EMERSON 2021-02-18 .pdf

ISSUE:

- Freedom Convoy Support demonstrations are continuing in Manitoba.

Update for February 18th, 2022

BACKGROUND:

- The Support Freedom Convoy was created as a means for truckers and others to demonstrate

against cross-border Covid vaccine mandates and in support of the Freedom Convoy in Ottawa.

CURRENT STATUS:

- As of February 18th there is no known plans to further protest/blockade the Emerson POE. The POE has resumed normal operations. All other POEs within Manitoba remain open and have no protest activity.
- "D" Division RCMP will continue to monitor for any future protest activity/liaise with CBSA on POE operations.

OTHER KNOWN/PLANNED EVENTS:

- As of 2022-02-18 the demonstration/occupation at the Manitoba Legislature remains in place despite organizers having made an announcement on demobilizing the demonstration. It should be noted that under the Manitoba PSA, should the Winnipeg Police Service request support for potential enforcement action, as the Provincial Police force, "D" Division would be required to deploy resources per their request. (No Change)
- A planned convoy on the perimeter highway around Winnipeg is being advertised for Saturday Feb. 19th. Headingly Detachment, D Division Traffic Services and Winnipeg Police Service are aware. The group is planning to attend the MB Legislature. A copy of the social media notice is attached.
- A planned convoy is also being organized again for western Manitoba for February 19th. It is being planned by the same organizers from prior convoys in the area and are in communication with Manitoba West District to ensure that road safety is maintained and that intent of the protest is lawful and peaceful. The group is planning to leave Brandon, travel west through Elkhorn, Virden on #1 Hwy then travel through Oak Lake and the RM of Alexander. They are then planning a bonfire and gathering on private land near Brandon off Prov. Rd 270.

STRATEGIC CONSIDERATIONS:

- Situations are on-going and will be continuously monitored. At present D Division has sufficient resources available to manage these events.
- D Division Communication is engaged with prepared messaging for the public and responses to media inquiries.
